6/25-Disney Day

Dates to remember

7-5 -Closed for Independence Day

9-6- Closed for Labor Day

Infants & Infants 2

Hello Infant Room Families!

Our month is packed with learning, art, and summer fun! This month, we are focusing on the song, "Row, Row, Row Your Boat." By reading the book and singing the song, at the same time, your babies will learn new vocabulary that they can then connect to specific body movements. In art we will be painting using age appropriate tools, and creating a very special Father's Day gift. We are also planning some fun summer activities the babies can enjoy in the classroom.

-Ms. Jannet and Ms. Grace

Toddler 3

Hello, Toddler Families! Can you believe it's June already? We have lots of things planned for the month. We will be learning and exploring about bugs, butterflies, space, and Creation. We will also be starting outside water days (additional info sent out). If you want your child to use a special sunscreen, please send that in. We have had 2 new friends join our classroom and can't wait to spend the summer with everyone! As always, our door is open for any questions, concerns, or positive feedback. We have been thrilled to see all of our parents' faces!

-Ms. Malanna and Ms. Jennifer

Early Preschool

Happy June! Time flies by fast. We are excited to start this month! There is so much to learn and the weather is nice.

Please check and make sure your child has appropriate extra clothes for the warmer weather.

This month we will be learning about (bugs, butterflies, stars, space and Creation.

-Ms. Billie and Ms. Dianne

Preschool 1

Welcome, June! Hello, parents. I hope everyone is doing well! This month is such a fun month. We have so much planned, and the warm weather is finally here. We will be learning about bugs, butterflies, stars and space, Creation and Father's Day. We are continuing with our Zoo Phonics and reviewing our numbers, shapes, and colors. Please remember to check your child's cubby for extra clothes, if your child is potty training. We are very excited for this month of fun and look forward to seeing your children learn and grow. If you have any questions or concerns, please feel free to contact Ms. Roberta.

Thanks for all you do.

-Ms. Roberta

Preschool 2

Summer is finally here, and I think we're all ready for fun and sun!

Parents, since we'll be spending as much time as we can outside, it can be expected that your child will need extra water. Please Do Not send in a water bottle. This is a change from previous notes, but we will provide cups and water in the classroom. Happy, Happy birthday to Augie and Ryker who will both be four this month! Just a reminder, if you would like to bring in treats for birthdays or other special days, please follow the school's nut policy.

We are sad to say goodbye to some of our friends. April, Audrey, Jax, Marcus, Owen and Teddy, we wish you the very best summer ever, and we'll miss you loads!

-Ms. Bekah

Pre-Kindergarten

Welcome, June! It's hard to believe that summer is here! Here in Pre-K, we have lots of transitions while children are taking summer breaks, and others are off to kindergarten. For the summer, we will be doing different theme weeks while taking a break from the Zoo Phonics unit- although we will always be doing some type of review. This month, our weekly units will consist of Exploration Week, Air All Around Us, Heroes and Fathers Day, and finally Investigating Colorado. We will also be learning about God's creation, learning the memory verse of Genesis 1:1, "in the beginning..." Please make sure we have a change of clothing for your child, either in their cubby or in their backpack. We will be looking at having some splash days this summer but will send more information on that later. We are ready to have a fun summer- especially with restrictions beginning to ease some! God Bless!

-Ms. Doreen and Ms. Rachel

School Age

Summer is here, and our 2021 camp is off to a great start! We are welcoming back some old friends and adding new ones, as well. This month, we will have on site visits from My Art Workshop and Castle's in the Sky Soccer. Other special events include a ALC sponsored visit from Top Hogs, a pizza party, and more!

We are having a great time getting to know your awesome school agers! Please let us know if you have any questions or concerns.

-Ms. Peggy, Ms. Diana and Ms. Janie
